

## U.S. Embassy and Consulate email addresses

U.S. embassies and consulates can provide American citizens with voting forms and information about absentee voting, and can mail voter registration and absentee ballot request forms and voted ballots back to the United States. Embassies and consulates can also advise voters on local mailing options and estimated mail transit times. In addition, the embassy or consulate can notarize or witness voting materials (if required by the state) free of charge. American citizens cannot vote in person at U.S. embassies or consulates, nor can embassies or consulates receive mail or blank ballots on behalf of voters.
